The mind map outlined below is a useful guide in planning for the implementation of individual school to work plans.

Each topic identifies the issues to be considered for further comment or explanation. For further explanation, refer to the case studies in Section C.

### Selection
- coordinator
- formal/informal
- school-determined policy
- target group

### Implementation
- how?
- when?
- where?

### Referral
- who refers?
- how?
- reasons for referral?
- when?

### Strategies
- school activities
- workplace learning
- group/individual

### School-based evaluation
- process
- participants

### Resources/documentation
- referrals
- recording
- individual plans
- school-based personnel
- community-based personnel

### Intended outcomes
