A parent’s and caregiver’s guide

What is “school to work planning”? 

• An individual planning process that identifies the student’s career goals and the actions required to achieve these goals.

What are the benefits of School to Work Planning for your child?

School to Work Planning may:

• increase their self-awareness, self-confidence and motivation
• develop a range of competencies and individual learning skills
• develop their skills in communication, assertiveness and problem-solving
• clarify their personal, educational and career goals
• develop their skills in career planning and building and decision-making
• develop their work-related skills
• improve their involvement in the schooling process
• establish positive links between the student, the school, the family, the workplace, the community and the curriculum
• encourage personal autonomy, responsibility and ownership
• enhance their employability.
