Reflecting on my learning Semester I report card

What did I accomplish during this past reporting period?
The first thing that comes to my mind about my report card is: ________________________________________
because ________________________________________
What I am most proud of is ________________________ because ________________________________________

What I am least proud of is ________________________ because ________________________________________

The subject(s) I improved in the most are ________________________ because ________________________________________

The subject(s) I need to improve in are ________________________ because ________________________________________

I noticed that my behaviour was ________________________ because ________________________________________

I noticed that my attendance was ________________________ because ________________________________________

If I had the term to do over again, I would change the way I ________________________________________
