Who is this course for? Preliminary and HSC students

The Make-up Services course is for students interested in working in the make-up services industry. This course shares some units of competency with the Retail Curriculum Framework. Students undertaking those units of competency in the Retail course cannot also study them as part of this TAFE delivered VET course.

What is this course about? What will students be doing?

On completion of the compulsory core modules students will be able to:

- Make effective career choices within the retail environment and take actions to enhance their employment opportunities.
- Establish contact with customers, process information, work in a team, maintain personal presentation and follow routine instructions.
- Follow basic safety procedures, identify OH&S requirements necessary for a safe environment, follow correct procedures in case of accident, injury, illness or evacuation.
- Organise and perform routine cleaning of the work area and equipment in the work area.
- Perform point of sales transactions, complete sales and wrap/package merchandise; maximise sales opportunities, apply product knowledge and recommend specialised products to customers.
- Place and arrange merchandise, prepare and place tickets/labels, maintain displays and protect merchandise.
- Deliver service to customers, respond to customer complaints and customers’ special requirements.

Recognition from HSC to TAFE courses (credit transfer opportunities)

Please refer to the Credit Transfer website http://www.det.nsw.edu.au/hsctafe/ for the most current information regarding credit transfer arrangements.

Students who successfully gain units of competency from the Retail Curriculum Framework 120hr, 240hr and General Selling Stream 60 hr extension course will gain advanced standing in the courses listed above under Advanced Standing. Students who have undertaken the retail units of competency in a non-beauty environment may need to undertake some additional hours to allow for customisation to gain these awards.
