Reasons for requesting access after normal library opening hours:

I have read and agree to abide by the above conditions of entry. I am aware that video camera surveillance is in operation and give my permission for the recording to be viewed for security purposes. I understand that entry to the Centre is for the purposes of personal course study only and the electronic access card may not be used to allow entry to the Centre of other students or members of the public. Breach of these conditions may result in restriction of access to the Learner Support Centre or other action according to the relevant TAFE Student Discipline Code. I acknowledge that the Learner Support Centre is not supervised.
