Staff at TAFE NSW Riverina Institute's Wagga Wagga Campus celebrated International Women’s Day 2003 with a healthy morning tea and a walk to the botanical gardens on Wednesday 5th March.

"We are focussing on health this year," explained spokeswoman Kerri Leadbitter. "And we invite members of the community to join us in the celebration and walk with us."

Meanwhile, other campuses throughout the Riverina celebrated in their own unique style.

In Deniliquin, staff, students and members of the community were invited to attend a Dyna-band exercise session followed by lunch and a video screening of "Beneath Clouds" in the Judy McLean Library. Deniliquin Mayor Pat Fogarty was invited to meet and talk with students about her role in the Deniliquin community.

Staff and students at Riverina Institute's Albury and Tumut Campuses indulged themselves with Tai Chi sessions. While West Wyalong Campus celebrated with a delicious morning tea treat.

This year, International Women’s Day celebrates the diversity of women and is an occasion for men and women around the world to come together to celebrate the gains that women have made.

"This is also a good time for women to assess their current position and to make plans for the future," said Ms Leadbitter.
