HOST EMPLOYER ACKNOWLEDGEMENT

I confirm that

- The proposed driver is licensed for the vehicle they will be driving and, if issued with a provisional licence, complies with relevant peer passenger conditions. The proposed driver is not disqualified or suspended from driving; and is not subject to any impediments to his/her ability to drive a motor vehicle or other vehicle (as relevant). The vehicle in which the student is to be transported is registered and covered by NSW compulsory third party insurance or interstate equivalent. To the best of my knowledge the vehicle in which the student is to be transported is roadworthy, safe for normal road use and suitable for the work-related purpose to which it will be put. The number of passengers in the vehicle will not exceed the number of seatbelts. I am not aware of anything in the background of the proposed driver that would preclude them from working with a student. I have advised that good safety practice is for the student to travel in the back seat of the vehicle where possible.
