

# Does My Work Placement involve accommodation away from home?

## I will commence my work placement only after:

- I have discussed accommodation and transport arrangements with the host employer, my parent/carer and my school/TAFE.
- I have completed a suitable work ready activity prior to commencing the placement (e.g. go2workplacement.com).
- I have completed extra preparation by the school/TAFE for overnight/onsite accommodation.
- I have been advised there is reliable mobile phone reception &/or access to a landline.
- I know who to contact at school/TAFE/and afterhours if something goes wrong.
- I am advised by the school/TAFE that the placement and accommodation arrangements are supported and approved and all forms are complete and approved.

## Remember, contact your nominated school/TAFE contact and tell your parent/carer if:

- You feel unsafe at work or where you are staying
- You have any concerns about your work placement or accommodation
- You are injured. Your host employer needs to know as well so that first aid or medical help can be organised.
